- II. Ongoing Discussions / Projects

A. AS Resoultion

- 1. For those receiving the resolution, how long will they have to take action?
 - a) Next Step: Jeremiah to set up a meeting with Jen, Karen, Steve (interim ED) to discuss this issue and plan for next steps
- 2. **Idea for Later on:** Adding a check-in follow up period to resolution, say 6 months out, with specific criteria to look at.
 - a) Potentially a survey on campus: Initial and at 6 months out.
 - b) Ideas for how to do the survey:
 - (1) Could add several q's to pt satisfaction survey, specific to this. Is given to folks already coming into SHC.
 - (2) Private email survey, with follow-up period: May increase people's comfort with taking the survey
 - (3) Healthy minds survey this year, are some optional q's with this for each campus.
 - (4) Hard copy surveys in CAPS/SHC with a box they go into
 - c) Institutional Effectiveness would need to be involved
 - d) Jo to brainstorm with Mira regarding options for survey, and the processes that would need to be followed to do a survey on campus
- 3. Offer workshops to staff and students. Go beyond...
- 4. Educational materials and handouts on quad
 - a) Packet for HC providers, Roman updating materials
 - b) Potential training for providers

G. Look for spaces to advertise resources and educational materials

- 1. SHC/ CAPS lobbies
- 2. Posters / fliers inside clinic rooms Jo to look into this
- 3. Fliers around campus (have them approved/stamped at UC desk)
- 4. OhSNAP, Checklt, PHE bulletin boards
- 5. TV's in depot, J, library
- 6. White boards in library, surveys, etc.
- 7. Jen: Possible grant pending, would include 3-4 screens with wellbeing messages, from CAPS, etc. One on each floor of SHC, two others somewhere else on campus. Goal of decreasing MH stigma and advertising services.
- 8. HSU social media: Description of resolution, summary, link to take survey
- 9. Marketing: Check with them re process
- 10. OrgSync? campus wide
- 11. Brainstorm more advertising options in: Science buildings, BSS, Gyms
- 12. Chalking
- 13. Sandwich board: What's New?
- 14. Clubs on campus: Tabling with the survey

III. New Items of Discussion

A. Jen: Discussion of Potential Grant

- 1. Wrote into grant to support launching a chapter of Active Minds.
- 2. \$2,600 grant for student members to travel to their annual convention.

- 3. Would need 4-5 students involved to open a chapter. Liza from CAPS wanting to mentor this group.
- 4. SHAC members to let others know of this opportunity too
- 5. Jen should know in a few weeks about the grant

B. Doctor's Notes Discussion - Continue to discuss

- 1. Issue of big delay or inability to get a doctor's note when needed, even though professors may require them for missed classes or needing assignment extensions
- 2. Karen: Trend is moving away from Dr notes, this discussion to continue between academic and medical. Karen to reach out to the Dean's office regarding this.
