

AS Student Health Advisory Committee 2/24/20 Minutes

- I. **In Attendance:** Cristian Rios, Steve St. Onge, Jeremiah Finley, Lasara Allen, Mira Friedman, Tai Parker, Jen Sanford, Kia Xiong, Karen Selin, Darin Torres, Jo Bundros
- II. **New Items**
 - A. Sex Workers' Advocacy and Support Club update
 1. Third meeting is tonight
 2. Club is representing the anonymous student who spoke out regarding the professor on campus, to advocate for the student and give further voices to these issues
 3. Club is working on article regarding what consensual sex work is
 - B. Upcoming Health Event (Housing)
 1. Reed (one of the Housing treasurers) is asking for a SHC representation to come talk to students living in residence halls regarding cleanliness and hand washing.
 2. They are looking for a short talk with demonstration
 - a) Potentially include health/wellness give away items, endorse flu shots at event
 3. The event will be likely late March, Mira to collaborate with Darin and Reed regarding this. Potentially have PHE involvement as well.
 - C. Getting the Word Out Regarding SHAC
 1. Darin and Jo to work together on creating a SHAC flier to distribute around campus, to help folks know of this opportunity
 - D. Gender Inclusive Restrooms Committee
 1. Gathering feedback, very positive so far
 - E. AOD Meeting Updates
 1. Narcan and Fentanyl testing strips to now be available in health product vending machines

F. SHC Announcements

1. Trial for SHC of being open until 7 pm on Wednesdays
2. New Basic Needs Liaison: SHC is excited to welcome Iran Ortiz to this position!
3. CAPS hiring for Res Life/ Suicide Prevention Specialist
4. Basic Needs Coordinator Position: Opening this week

III. Ongoing SHAC Work:

A. Transgender and Gender Non-conforming Students' Rights

- a) Put together a survey tool, for students to indicate how they are being treated in the SHC
- b) Education Outreach
 - (1) Once education materials are ready, plan to hold SHC workshop first, and then later on a world cafe style event for larger campus
 - (2) Need for signage in patient rooms - with clear info regarding patient rights and reporting
 - (3) Idea of including a few questions in the SHC hard copy surveys, or utilizing the ACHA survey
- c) *Sub-committee Work / Updates*
 - (1) Tai Parker and Roman to give an inservice with SHC team on the 27th
 - (a) Goal of broadening out from here, to larger inservices / events on campus
 - (2) SHC website updated regarding transgender resources

B. Sharps containers on campus for syringes

1. Currently are only at SHC, can get individual ones for dorms too
2. Committee to continue brainstorming on this topic

IV. Other Items from Last Semester (For Future Meetings)

- A. *On-campus parking permit requirement for students with disabilities who utilize accessible parking spaces discussion*

B. Doctor's Notes Discussion

1. Issue of big delay or inability to get a doctor's note when needed, even though professors may require them for missed classes or needing assignment extensions
2. Karen: Trend is moving away from Dr notes, this discussion to continue between academic and medical. Karen to reach out to the Dean's office regarding this.
