

Family PACT Eligibility Screening

**If you can answer YES to all of the following questions,
you are eligible for the Family PACT Program:**

1. I am currently able to get pregnant or cause pregnancy.
2. I currently have a California address.
3. I do NOT have Medi-Cal benefits or insurance that covers family planning services.
Note: If you have coverage, but do not want to use it due to concerns about your confidentiality, you may still qualify for Family PACT.
4. I am a female under 56 years old OR a male under 61 years old.
5. I meet the family income guidelines. I do not earn more than 200% of the federal poverty level. (The enrollment clerk will assist you.)
Family consists of you, your spouse, your minor children, step-children, adopted children, children under your legal guardianship, and residing in your household. Note: California does not have common-law marriages. California recognizes common law marriage from other states where they are legal.
Family consists of you (1)
If you are living on campus - family is (1)
If you have a roommate - family is 1
If you are married, include your spouse - family is (2) and add children (3, 4, etc.)

Please review the eligibility screening. If you feel you qualify , please fill out the client eligibility certificate and bring it with you to the Health Center.

The receptionist will validate if your eligible and enroll you in the program at which time we will issue you the Family Pact Health Identification Card.
