6:10 Report Outs

6:30 Closing and Next Steps

● ROLES

Mira Friedman: Lead for Health Education

Connie Stewart: Facilitator

Everyone Else: Participants

● OUTCOMES

- Understanding of student fee increase process
- Learn from attendees what can be done to improve student health at HSU
- Hear how best to prioritize funding

● Agreements

- Everyone Participates/ No One Dominates
- Build on Each Others Ideas
- Humor Helps
- Criticize Behavior, Not People
- Do a Power Check

Small Group Work:

***Take 20 minutes and record on post-it notes:
How can HSU improve health outcomes of students
attending Humboldt State University?***

What do we do well?

What could we improve on?

Budget Game

***Reach Agreement at Your Table On How To Divide
\$100 by:***

- improve facilities
- increased physical health services
- increased mental health services
- increased support for basic needs and health education programs (Peer Education, Oh Snap Student Food Programs, & Check It!)
