

Hello!

I'm writing to encourage all of you to participate in, or take time to do the National College Health Assessment Survey. The survey can be accessed through an email sent directly to students on February 19th with the subject: "**National College Health Assessment Survey.**" Students are eligible for \$500 worth of gift cards.

This data is essential to help provide accurate and data driven Health and Wellbeing services including those provided by Oh SNAP, Check IT, and The Peer Health Education Team. If you have any questions please email ravin.craig@humboldt.edu, visit the Oh SNAP Student Food Programs, or check in with them at information tables on the quad Monday, Wednesday, and Friday from 11-1. **Surveys are due March 7th!**

Take care, all,

Ravin Criag
